“ *I remember how Barbara used to work on her flowers in her yard. She loved animals especially strays. Both Barbara and I would take turns feeding them and making beds for them for the winter. Barbara was a very sweet woman. I loved Barbara. I was there for her when she called night or daytime. I'm going to miss her terribly. We were partners in crime taking care of lost, hungry, abused, dogs and cats. She was a wonderful lady and I'm going to miss her terribly. Prayers for her family for comfort. I pray the love she spread for animals will continue. I know I will spread her legacy by doing the sa.e in her honor. I love you Barbara. Until we meet again I know God has appointed you CEO for all the animals who crossed over the rainbow Bridge into heaven. See ya later Barbara.*
