“ When I was 11 years old I had Polio. (1957). I was sent to Greenville General Hospital. I could have no company. One day the nurse came back and told me that someone from Seneca named Bill and Bonnie Stewart had come to check on me and to see how I was doing. I was so homesick and very ill and knowing they had come all the way to Greenville to check on me meant so much to me. That is just one of the memories of Bill and Bonnie. Prayers for Bobby and Teresa and Lisa and Melvin. Find comfort in knowing how well you took care of your mother. Find peace in knowing that after her last breath her next breath was heavenly air. Love you.
