“ Blaine was close to my heart. Even though recently I haven't been
there...I was there in the past. And I loved that kid like he was my
own. I love his mom and dad to. He was a true angel on this earth
and I was lucky to be in his life for a little while.

God knew you were the perfect mother for him and the strength you've shown throughout his life will be the same strength that gets you through tomorrow and helps you with each passing day. And when you feel like it may be running out, I'll be there with some of mine for you. You're a warrior, sis. No woman on Earth could have loved and cared for him more!! 💕
