“ You guys took such care of me when I moved to SC. Carolyn and Kelly were my neighbors! But also the best dispatchers in the world. Carolyn could get me to the EMS call and I would know their problem, what color house, what they were wearing , what kinda car, etc! Great friend too who missed a lot. You were the rock for everyone and animals too. RIP Carolyn ❤️ You will never be forgotten 🙏🥹

“ I didn't have the pleasure of knowing Carolyn myself, but I have had the pleasure of knowing her daughter Kelley and the wonderful work she does for dogs and cats in our area. I'm sure it is a reflection of the upbringing that Kelley received from Carolyn. I wish you peace and strength as you go through this trying time and know that my thoughts and prayers are with you. With love.....

“ No better sound coming across a emergency radio is that cool, calm, concerned voice. Carolyn was that and so very much more. Whether working beside her in the radio room, or being on a Ambulance or a Firetruck there was no other voice that gave you that little extra assurance. She had talks with Medics and Firefighters that only a Mom could give, or get away with. I look back and I miss the talks we had, they didn't stop when I left GCEMS they followed me to the Fire department. There are so many people who are not the same after they're time with Carolyn. She was one of a kind and will be missed. I'm so blessed to have called Her my friend.

“ Carolyn was a beautiful person inside and out. She made me laugh often, and made me feel safer on the streets (paramedic) when she was our dispatcher. I have known and loved her for over 30 years. God Bless and keep you, Carolyn, my friend. ❤️

*We're losing too many of us from that generation in time from EMS,
SHERIFF'S OFFICE AND HIGHWAY PATROL.
SAD BUT LIFE MUST GO ON, but be PROUD OF THE LEGACY
THAT WE HAVE LEFT FOR THOSE WHO COME BEHIND US*

She was a wonderful person as well as a 'FIRST RESPONDER"
