“ I could shut the internet down with the memories I have of him. He was my show and tell topic when I was in the first grade. It was the week of Halloween, actually Halloween day. I was so happy to be a big brother that I wanted everyone to know. I was proud then, and I am proud now and forever.

That is the sweetest message that a big brother could ever write to his younger brother, He loved y'all with everything that he was made of

“ I had absolutely no idea he passed. I am so so sorry for your loss. He was such a fine young man. He was a very caring and giving person. Always had a smile on his face for someone. We met because we were neighbors years ago. He only wanted to be happy to be himself, nothing more. I look forward to seeing you again my young friend. Enjoy Heaven!

“ I chose a pink candle because when we were little I always told him the only good snakes and spiders and the only ones he shouldn't be afraid of were the pink ones! He never forgot that and reminded me about it every time we talked. Oh how I miss him!! You wouldn't meet a more friendly and sweet soul.
