“ Dale.. I learned today of your passing. My heart immediately broke. What I wouldn't give to go back and play bingo with you again. Or poker! You was the funnest granny ever. You took me in and accepted me like your own and you never once turned me away. I never forgot and I never will. Thank you for the love and support and fun times. I hope you and papa are walking those streets of gold with that little beautiful sherry! I will see you both again but until then thank you and please watch over us all. I know how much you loved your family, keep them safe and fly high! You deserve the biggest, most beautiful wings of all xoxoxo
