“ There are so many stories that I tell that come from time spent working with Dennis. He was such a wonderful coworker. He had the best sense of humor that kept us all in stitches, but he also showed deep compassion, gave great advice and looked out for everyone.

I can only imagine how much you will all miss him. Know that my heart hurts for your loss and that you are in my prayers as you adjust to his home-going! I can just imagine Dennis and Nancy Haynes laughing and skipping together down the Golden Streets...
