“ *Dixie was my closest cousin. Growing up we spent as much time together as we could. We spent Saturdays at the movies then the rest of the day playing Debbie Reynolds and Doris Day. I was Debbie since I had red hair. My heart is broken that I let so much time past without keeping in touch with her. The last time we were together was at a family reunion in Texas. We, of course, sat up half the night talking and laughing I will always treasure the time we did have. I loved her so much. She loved her family so much. I pray for comfort and peace for Carrie and all her family. Love ya. Rita Hagle Ehler*
