“ *Delores was a wonderful person who always had a smile on her face. She loved her family very much and was eager to share photos of her Grandkids. I enjoyed talking to her because she was very organized and she would always give me tips on how to be better organized. She loved animals dearly and was a kind soul to all animals. I will miss her so much and I am glad I was part of her life. Rest in peace Deloris.*

Love, Dawn
