We are so sorry you have lost your dad. We are praying God will give you the strength and peace that only He can give to you. We loved your daddy. I know he loved you very much. Cherish all the times you had with him and hold on to the memories of the loving and endearing moments. When you are lonely, at those times, it will help you. We love you Joshua. We are praying for you and your family.

“ Felicia, Ken, Loneise, Michael Paul, A.J., Cody, Wanda Lee, and Brandi,  
We are deeply heart broken over the passing of Ian. Every time we would see him he was always so kind and very thoughtful about asking about our family. We loved him. He would always give us a hug. He was just as sweet as he could be. So sad his life was taken this early. He had a good spirit and I'll always remember his contagious smile. Please know we are praying for each of you. God bless all the family. Much love and many prayers. Love to all, LC and Mary Jo.

“*Ian, my sweet, kind, loving nephew who always would go out of his way to get to you for a hug with a big smile on his face no matter where or when he saw you.. He tackled hurdles with” awww it’ll be alright”. He always asked about all family members .. He took pride in working for Mountain View Seafood and Steak restaurant. He always spoke highly of his family .. especially his son about how smart he was. He respected Ken.. his step-dad who he considered as his real dad after the passing of my brother when Ian was a toddler. Ken never showed in difference and loved Ian as much as Ian loved him. Ian made a difference with his smile and hugs. You will be missed and I will miss your hugs.*
