“ *Jackie was a dear friend and Parker has many fond memories of being in the Miami Jackson marching band with her. We always enjoyed talking to Jackie on the phone and seeing her at our many class reunions. She will be deeply missed at our reunion in St. Augustine this fall. She is in a far, far better world than we are.*

“ *To all of many friends of Jackie, I wish the peace and happiness that Jackie would have wanted for you. She was a dear classmate of mine at Jackson High and a dear friend. Here is hoping that we all may meet again on the other side.*
