

Ms. Janet Shisler Morgan

July 1, 1935 - July 3, 2023

On July 3, 2023, Janet Shisler Morgan (Jinny) passed away peacefully in her residence at Keowee Square, Seneca, South Carolina. She was 88 years old. Jinny is survived by two daughters, Kathy Morgan Ware and Jan Morgan, and one son, Paul Morgan, Jr.; four grandsons and one granddaughter; and three great granddaughters.

For all who knew Jinny, one thing clearly stood out: she loved to laugh and enjoy life with those around her. While raising a family with her husband, Paul, Jinny tried her hand at a variety of things - - from painting scenery for the Oconee Community Theater to managing a karate studio (and doing the kicks too!). For a brief period, she even wrote a humor column entitled "Jinny" that appeared in the Seneca Journal newspaper.

Then after the kids were grown, the endeavor that brought all of her varied talents together was her 19 years of owning and operating the Pendleton House restaurant in Pendleton, South Carolina. Each night, guests were treated to sparkling descriptions of the gourmet menu by Jinny, always accompanied by laughter and fun.

Interaction with people was a joy for Jinny, so at age 71 she took on a cashier position at Bloom grocery store for several years. As she announced store items over the loud speaker, she would get people's attention with an

introductory "woo woo!"

In her final months at Keowee Square, Jinny brought her laughter with her. She made many friends and would often quote her favorite "philosopher," the songwriter Roger Miller, who sang: "You can't roller skate through a buffalo herd, but you can be happy if you've a mind to!" Those words describe Jinny's approach to life, and her example of "being happy if you've a mind to" will live on in our memories.

Condolences may be entered in the memory box below or mailed to Kathy Morgan Ware, 09115 New Bremen - New Knoxville Road, New Knoxville, Ohio 45871. A private family gathering to honor Jinny's memory will be held at a future date.
