“ *I will always remember your laugh and smile. You had the most beautiful brown eyes....just as Mama prayed for. You are Peaceful now and it has been my pleasure having you as my brother. We will always keep a part of you in our hearts and think of you often.*

*Love,  
Your Sis,

“ *Daniel, Kristie, Mason & Kristen,  
Words I use to describe my brother Jerry.  
Loving, Gracious, Kind, Courteous, Stubborn, Unique, Funny,  
Wonderful Laugh, Did I mention Unique?  
But, each time I spoke with him and if any of you were mentioned,  
he would have the biggest smile on his face! You could just feel the  
love. I miss him, especially his uniqueness.....*

*Love, Peace and Courage to you!  
Thelma Leslie*
