“ *My mother in law was a saint! Right after I met her daughter Vikki, I had to get my license reinstated and took the test in her '81 Coupe de Ville and the instructor made me parallel park that battleship grinning. Mom was happy go lucky no matter what life threw at her and believe me life threw plenty at her. She will be missed for a long time, and my wife is staying strong through her grief....Thank you for letting me share. Michael Mcquaid*
