“ John was very special to our family. We have known many of the Stanfield family over the years. John was close friends to our Johnathan. He stayed often at our house, he went on camping trips with us and shared many vacations with us. He used to laugh at us when we all piled in the car because everyone hummed. It didn't take long, but before we knew it, we heard an extra voice humming, and it was John. He joined right in. We loved him. Lost contact over the years and was truly saddened when we heard John had died in a car accident. Blessings, peace and courage to his son Grayson. So touched to read he was attending church. God bless each and all of the family members.
