“ June was an amazing lady. She was so full of love and life. I will always be grateful to her because she was with me in the delivery room when both of my girls (Brandy & Bridget) were born. We would ride to work together and shared some great memories. She was my sister in law for several years and she was like a sister to me. I know that she is in a better place now, but she will be missed by so many people who loved her.... including me.
With love, Gwen Thompson ❤️
