

Kari Alanna Sparks

February 20, 1985 - December 2, 2019

Kari Alanna Sparks, age 34, of Seneca, SC escaped this mortal realm unexpectedly on the evening of Monday, December 2nd, 2019 and changed our lives forever. Kari is survived by the love of her life, husband Ben Sparks; her daughters McKinsey, Rachel, and Elizabeth Sharpe, Heather Sparks, her sons Tyler Marchbanks, Ethan and Kyle Sparks; her parents Alan and Nancy (Richards) Rochester, brother Casey Rochester; grandparents JO and Mary Richards all of Seneca, SC; and many other friends and family. She was preceded in death by her husband Chris Marchbanks. We take comfort in knowing that Kari is surrounded by light, free from the struggle that haunted her. We would have given anything for her to experience that freedom in this lifetime. Our grief over losing her is infinite. And now so is she. Due to the number of loved ones impacted by the loss of her soul, a memorial service will be set after January.
