“ We used to play together when we was little. We was playing on a swing set one day but the sliding board wasn't attached. He said I'll hold it for up for you. I slid halfway down and he dropped it. It bounced me over on my stomach and the edge of the board squashed my thumb. I had to go get stitches and whenever mama had to clean it, she'd faint! It's a day I'll never forget.
