“ *I was happy to call him my papa I am his only granddaughter (Puddin) I'm lost without him no doubt about it. He was and still is a very very amazing person. I'll see him again one day but right now I just wish I could see him again just for "5 minutes" but nothing could compare to the love I have for him. He was truly the glue for our family. Always made everyone laugh where ever he went. Now we look back at the memories we have of him we are sad and happy. I can't wait to see him again.*

“ *He was a very good man. The absolute best hard-working person I'd ever met I'm happy to say I am his granddaughter (Puddin). I miss Papa so much, I just wish it wouldn't have come so quickly. He was the true glue in the family, I really wish he could have seen my high school ring and be there when I finish school. I'm doing my best for him and I love him so much! One day I'll see him again and I can't wait.*
