“ From the moment I was born I have looked up to you. Growing up I always thought you were the coolest person I knew. I wanted to be just like you (probably why I stole all of your clothes) lol. I have always loved how everyone always asked, "aren't you Paul's little sister?" That always made me proud. I Love you more than words could every describe and will miss you until the end of time. Please watch over Mommy, me, and all of my kids. Give Daddy a kiss for me. But I need one more favor. Now that you are walking with Daddy, take him by the hand, sing Dance with my Father, squeeze him tight and dance with Daddy for me. I will take care of Mommy, you have word. I Love You Paulie.

Paul was a dear friend of mine from High School and even though we haven't been close for many years, he was so very dear to me! He was kind, loving, funny, and oh so talented!!! He was always willing to go out of his way to help someone, especially those he cared about! Paul, I will never forget the duet we sang from "Brigadoom" or the moment I first heard you sing in Middle School and I was an instant fan! I have so many happy memories with you and Bethany. Y'all were like my family! I picture you in your little white Dodge neon bumping some old school Usher's "my way". I could hear you from miles away coming, lol! I love you buddy! Rest Easy. Can't wait to hear you sing again in Heaven in all your glory! My sincerest condolences to Kristen and Judy and the rest of the family. My God hold and comfort you through this difficult time.
