

Mr. Phillip Randall Darst

July 4, 1963 - June 10, 2020

Randy began his life in Columbus Ohio, the first of three sons born to Don Maurice and Carolyn Lee(Rucker) Darst. He is preceded in death by his father, Grandparents Kenneth & Willa Mae Rucker & Miles & Mary Darst, great granddaughter Emily. He is survived by his wife Kay Read, children Jacob, Zachary, Travis and Randee Lynn. Brothers Kevin (Debra) Darst & Rick Darst. Grandchildren Braden & Tatum. Special cousin Lole “Bud” Johnson & special friend Charlee. Many nieces & nephews. Randy was a pioneer in the environmental movement of recycling for the reduction in plastic in local land fields. He had a passionate love of life and of all that is alive. His broad smile was infectious & he had a pleasant nature about him. He took mischievous joy out of teasing and taunting you. He was a devoted family man & recently husband to the love of his life. During his last month of living he spent many quality moments making memories with family and friends fishing, shooting and enjoying good conversation. To know Randy was to love him and he touched your heart in a very special way. It is a blessing the lives he changed with his welcoming demeanor and compassion for others. When given an opportunity to do something out of your comfort zone you know it is orchestrated by God, do it. God lead Randy in the right direction and he was an Avid AA leader and gained an extended family that loved and cherished him. A celebration of life will be Saturday June 20th at 1:00 PM in Salem, South Carolina and another on June 27th in Ohio so all of Randy’s loved ones and friends can attend.

“ *My thoughts and prayers are with all of Randy's loved ones, family and friends. He was definitely one of a kind. One of the sweetest people I've ever known. I met him through my childhood friend and neighbor probably 30 years ago. Always full of life and fun to be around. I will remember him always. RIP*
