“ *Randy will be missed by many. He was a great person, and friend. Randy always checked on my grandmother and myself as a kid, he helped us get through some tuff times growing up. Always there to lend a hand or lend a ear. I was so thankful he took the time to walk me down the isle at my wedding. Thank you so much for being there for me, I love you, and I will never forget you. Fly high my friend until we meet again.*
