“ *Carol, we have lots of good memories of the years you and Bob were here in Naples. Couldn't believe it when you two moved away! We sure had FUN weekends with our great "party group". I remember meeting Bob (and the other husbands) when we all got together after our Orlando tennis trip. From then on, party history started. Your loving family, friends, good memories and time will help heal the hole Bob has left in your heart. With sympathy and friendship, Joyce and Don*
