“ I always enjoyed seeing him. They came to see us in Germany with Bob and Lynn and the family. He always had stories to share and I took him to the Band of Brothers Museum and to meet a friend's 103 year old Uncle who was a WW2 Navy Vet. Oh the stories! Gave him that hat and never saw him afterwards without it.

“ I remember coming home with Kitty from North GA college and Mr Hubbs would be sitting in his chair smiling and cutting up with us girls while Grove cooked us a wonderful meal. They always made you feel like family!
What a wonderful long life he had!

“ My love and prayers go out to the family. I know God will comfort you and give you strength! I'll always remember Sam grabbing my hand at church and telling me how much he appreciated the music and giving me "other" songs to play!! He was a joy and he truly loved his family! He was always smiling at church and happy. Brenda Goodwin, Musician at Richland Presbyterian Church
