“ Sharon loved her kids so much. I really love how she could get on the same level with my 6 year old, she would get in the floor, make a fort in the tree or swing at the playground. No matter what she never missed a holiday birthday or special event and she always answered the phone for us! Fly high Mom "Nana" words can't express how much we miss you ! Love you so much, Rondal Laura & Zane Payne

“ *If I only had five minutes
Before you passed
I would have had time to tell you
all the things I wanted to say.
I never got to tell you
how much you mean to me
or that you were the strongest woman I know and you taught me to
be a better person then I was yesterday makes a strong woman
The last time I talked to you,
I wish I would have known.
I would have said I love you
and kept you on the phone.
If I only had five minutes the morning you passed away,
I'd give you one last hug so tight and see your great big smile.
I'd tell you that I don't think I could live without you,
not even for a while.
I'd kiss your cheek and take your hand
and tell you it's okay to go
and tell you that I'll miss you
more than you'll ever know.
But you were gone so quickly.
One last car ride you'd take.
Before you even knew it,
you were standing at heaven's gate.
Now God has called upon you.
It's time to get your wings,
To leave this life behind you,
And enjoy all of heaven's beautiful things.
So wait for me in heaven,
Don't let me come alone.
The day the angels come for me,
Please be there to bring me. I love you mama Sharron with ever
thread in me .*
