“ *Through all the years of putting up with my indifferences, she always greeted me with open arms. No matter if I was right or wrong, she never held a grudge. I never realized the pain she was in 'til I experienced it myself. Although she will be dearly missed, she no longer deals with the physical pain anymore. That's why when I say from the heart "REST IN PEACE ", they are more than just words, they are well deserved. I Love you momma, your son, Glenn.*
